

Imagine being handed 35 stunning new colours...

Welcome to the 125th Anniversary Horadam Watercolour assortment!

How do we engage with brand new colours, like never-before-seen violets – what are the possibilities they represent to artists? In a hands-on workshop, artist Evan Woodruffe will take us through these 35 stunning new colours and how they expand the harmonic colour space. Alongside new Schmincke products AQUA Bronze and AQUA Granulating Spray, and using different brushes, papers, and watercolour primers, you're invited to an exciting introduction to creating your own unique watercolour combinations!

Please join us as we mark the 125th Anniversary of Schmincke Horadam Watercolour with a one-off workshop of their new 140 colour assortment.

1:30pm 9th October at the Glenfield Hall
